REFER TO

Interoperability Test Panel, Chairman

1 June 2004

MEMORANDUM FOR ACC/DOYG, ATTN: MAJOR DAVIS

SUBJECT: Interim Certificate to Operate (ICTO) for the AN/TYQ-23 (V)3 Modular Control Equipment (MCE) software version 110.9.

Reference: CJCSI 6212.01C, Interoperability and Supportability of National Security Systems and Information Technology Systems

1. In accordance with the authority provided by the reference, the Interoperability Test Panel (ITP) concurs with your request for an Interim Certificate to Operate (ICTO) for the AN/TYQ-23 (V)3 Modular Control Equipment (MCE) software version 110.9. The ITP bases this concurrence on your identified urgent operational requirement to field this system.
2. The ITP Chairman concurs with the recommendations of the Joint Interoperability Test Command (JITC) and the ITP members to grant an ICTO for use of MCE software version 110.9 while the JITC completes interoperability certification testing. This ICTO is effective beginning 21 May 2004 and expires 30 September 2004. The ITP is issuing this ICTO as an administrative extension to the AN/TYQ-23 (V)3 Modular Control Equipment (MCE) software version 110.9 dated 10 February 2004 that expired 30 May 2004.
3. If, at the end of this ICTO, MCE software version 110.9 has not been interoperability certified or the ITP has not granted an ICTO extension, the ITP will consider it as a candidate for removal from operational use.
4. The JITC point of contact is Mr. Joe Peeples, DSN 354-2802, Commercial (301) 744-2802, fax (301) 744-2688, or email: peeplesj@ncr.disa.mil.

A handwritten signature in black ink, appearing to read "W. J. Morrow, Jr.", is positioned above the typed name.

WILLIAM J. MORROW, JR.
Lt Col, USAF
Acting Chairman, ITP
